MEMORANDUM FOR: Chief, Security Section, DPD
Chief, Cover Section, DPD

SUBJECT : Security and Cover Review of Project CORONA

1. You will both recall the discussion at the DPD Staff Meeting on 12 May 1959, where Mr. Bissell talked of the necessity for reviewing the status of CORONA from a cover and security point of view, preparatory to a final decision of the CORONA 1960 Program as it relates to CIA.

2. I should like to ask both of you to plan to undertake such a review, leading to a staff recommendation to Mr. Bissell, with a target date for completion of such effort of 15 September 1959. Should circumstances dictate a review prior to that time, I shall expect to be so advised.
